

## Assessment Worksheet for Executives and Organizations

### ◀ Coaching Creates Powerful Action at the Organizational Crossroads.

In order to gain a better understanding of what your coaching needs are, please fill out this **Coaching Assessment Worksheet for Executives and Organizations**.

#### Which of these apply?

- Leadership is lacking
- New or seasoned executive, not sure how to handle the changes
- Need to leverage your strengths and talents to meet new demands
- Interested in retaining talent, reducing costs
- Work teams need to be “virtuoso,” high yield amidst high stakes
- Time to increase morale and decrease frustration
- Challenged to grow developing leaders
- Need to improve communication skills
- Want to reduce turnover
- More innovation and initiative needed
- Ineffective management
- People not engaged in the vision and mission
- Need to build trusting relationships with others
- Lack of clarity in decision-making, staff roles and responsibilities
- Need to replace ineffective activity with wise action
